Subject: Reflections on AZMUN 1.0 – A Milestone in Youth Diplomacy

We are pleased to issue this official statement from the Executive Directorate's Office marking the successful completion of the inaugural edition of the Ayoniz Model United Nations (AZMUN 1.0), held virtually with delegates participating from across the globe.

AZMUN 1.0 was not just a conference — it was a defining moment for the AZMUN Foundation in our journey to establish a youth-led, globally connected, and diplomatically driven platform. With over 100 participants from more than 12 countries, the event served as a powerful testament to what passionate, informed, and articulate young people can achieve.

The conference featured dynamic committees such as:

- The United Nations General Assembly (UNGA)
- The International Court of Justice (ICJ)
- The Historic Crisis Committee (HCC)

Delegates debated on global and historical issues, practiced diplomacy, and collaborated on impactful resolutions — all while upholding the values of dialogue, leadership, and civic engagement.

This event also laid the groundwork for our future plans: developing a full-fledged youth research division, expanding outreach to underrepresented communities, and progressing toward our application for consultative status with the UN ECOSOC.

We extend our heartfelt thanks to the organizing team, executive board members, volunteers, and most importantly, the delegates who brought this vision to life. AZMUN 1.0 is only the beginning.

With purpose and pride,
The Executive Directorate
